

February 2024

Dear Parent/Carer

Student Finance Information for University Applicants

As part of our Core Enrichment programme, all students in Year 12 are currently receiving extensive guidance on their future pathways; this includes a presentation by the University of Exeter to both parents and students on student finance.

Student Finance talk for students

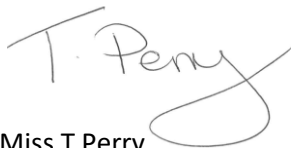

The University of Exeter will deliver the student finance talk to students on Tuesday 27th February; this will take place in the study centre at 10.00a.m. It is important that all students who are applying for university, or thinking of applying, should attend. The presentation will outline the amount of money students will be eligible to receive, the best way for students to manage their money whilst studying at university, and how the repayment process works.

Student Finance talk for parents

We will be holding a UCAS information evening on Thursday 21st March from 6.00 -7.00p.m. This will include an outline of the university application process and a student finance talk from the University of Exeter, who will provide information about how household income affects student finance, tuition fees, student loans and how to apply.

We believe this will be a very informative evening and look forward to seeing you there.

Yours faithfully

Miss T Perry
Head of Year 12

Mrs J Chalmers
UCAS Co-ordinator
