

4th January 2024

Dear Student and Parents,

USING HIGHCLIFFE SIXTH FORM TO GAIN ADMISSION TO A TOP UNIVERSITY: YEAR 10/11 STUDENTS

TUESDAY 23RD JANUARY 6:00pm – 6:30pm (Main Hall) & Optional Subject Seminars 6:30pm – 7:30pm

As a student who will be considering their post 16 pathway in the near future, please find enclosed a personal invite to an information and guidance event led by Highcliffe Sixth Form. The event is to assist you in considering applications to a Russell Group, or one of the other top UK Universities for your main academic, creative or professional degree.

The event is intended to ensure that potential applicants for our Sixth Form understand how to make best use of the subjects, enrichment opportunities and university/careers guidance we offer, and that you are thinking and planning ahead now about the key issues which will help you gain admission to the top universities. We also discuss what a top university actually is, what is meant by a 'Russell Group' university and top universities in the UK for particular subjects/courses.

The evening will consist of a 30-minute information and guidance session relevant to all subjects followed by **optional** 25-minute breakout sessions (repeated twice) with specific guidance regarding courses related to:

- Sciences (including medicine and the allied health professions)
- Mathematics
- English
- History (including Politics and Law)
- Languages
- Psychology

Highcliffe Sixth Form has an excellent record of success in helping our students gain admission to the top universities. We are extremely proud of our students. We look forward to meeting with you on Tuesday 23rd January, and ask you to reserve your place by booking online at

www.highcliffe.school/I/TopUniBooking2024. Further details about this event can be found here: [USING HIGHCLIFFE SIXTH FORM TO GAIN ADMISSION TO A TOP UNIVERSITY 2024 | Highcliffe Sixth](#)

Yours sincerely

Miss Lisa Swan

Assistant Headteacher: Head of Sixth Form and Student Aspirations
