Dear Parent or Guardian

Food Preparation and Nutrition GCSE - Revision Guide

For Food Preparation and Nutrition GCSE written element we require that all students have a revision guide for use in lessons, and to assist with their revision at home for exams. This is an essential book to help all students gain the knowledge required for the examination area of the course, and also contains helpful guidance for coursework and skills needed for practical lessons.

As a school, we receive a substantial discount on the revision guides. The cost is £6, payment should be made using the school's on-line WisePay facility by going to 'Books'. Please make a note of your WisePay receipt reference, as you will need to provide this on the attached slip. Receipts are generated automatically on WisePay and sent to the email address you supply when making the payment.

Kind regards,

Mr Hewitt
