

March 2024

Dear Parent,

Highcliffe Sixth Form Oxbridge Information Evening

As part of our University entrance programme in the Sixth Form we endeavour to start student preparation as early as possible. The school is holding an information evening for students considering applying to Oxford or Cambridge and your child has been identified as one of the highest achieving students in their year group and therefore could consider an application. This event will explain how the Highcliffe Sixth Form will help prepare them for an Oxbridge application.

Our 'Aspiring to Study at Oxbridge' programme has been running for several years and the Sixth Form has a good success rate in placing students at both Oxford and Cambridge Universities.

If your child is considering Oxbridge after A levels in our Sixth Form, then we would like to invite you and your child to an information seminar on **Wednesday 13th March from 6.00pm – 7.00pm** in the Sixth Form Study Centre.

The evening will consist of talks and discussion with current Oxbridge applicants in Year 13 as well as a talk from a former Highcliffe Sixth Form student who is currently studying at Cambridge University.

Refreshments will be served on arrival. We very much look forward to seeing you and request that you register online to confirm your place at
