Dear Parent

Headteacher - Patrick Earnshaw
Deputy Headteacher - Mathew Downs

SPANISH MASTERCLASS – YEAR ELEVEN – 2023-24

I write to invite your child to join the Year Eleven Spanish Masterclass this academic year. It is my view that your child has the ability to benefit from some extra tuition in the language in order to give them a good opportunity of achieving their highest possible grade. The Masterclass will cover elements which will most certainly benefit students' proficiency in the language, and consequently support their ability to gaining a good grade, for example:

- Extension grammar work
- Extension vocabulary work
- Understanding of authentic written material
- Furthering powers of expression

The lessons will take place: Every Friday at tutor time in MA11.

Please use the reply slip below to indicate if you would prefer your child **not** to take advantage of these extra sessions, so that we can compose an accurate list of expected attendees for staff teaching them.

Please do not hesitate to contact me if you wish to discuss specific areas which need improvement.

Yours faithfully

Mr J Maurice
Head of Languages
