

Letters/Pila/2026/KGI/VBL

4th September 2024

Dear students and parents,

You have previously registered an interest in the Year 10 School Ski trip to Pila, Italy. The trip will go out in the first week of the Easter holidays 2026 (Departure date – 28th March 2026, returning 7th April 2026).

We have had an unprecedented amount of interest and have worked over the summer break with our ski provider to be able to secure a total of 75 places for this trip. This has included identifying the largest hotel possible that the provider has a relationship with, identifying possible additional staffing and securing additional transport.

Although the trip is on a first come, first serve basis, student conduct, behavior and sanctions are taken into consideration and can result in a student being removed from the trip. In this instance, a student on the waiting list would be given the option to attend the trip. In order to make the process fair we wanted to express this to you prior to the deposit window opening.

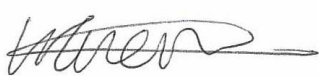

The deposit window will open on Friday 6th September at 6pm. You will then be able to pay your deposit of £150 via WisePay to confirm your child's place.

Please ensure you receive confirmation on Wisepay, including a reference number. Without this, you have not fully submitted and paid a deposit.

As a reminder, the cost of this trip will be approximately £1450 and the first instalment will need to be paid by 6th September through the schools' Wise Pay system online. **The trip deposit window will close on the 9th September** as we will then need to confirm places with InterSki and pay our initial school deposit.

Please note the deposit of £150 is non-refundable from payment, and by December 2024 the non-refundable amount increases to £250, due to us having to pay a secondary deposit to InterSki. If you have any questions, please contact either kguerrini@highcliffeschool.com or edavies@highcliffeschool.com

Warm regards,

Mrs Guerrini

Mr Davies
