

September 2024

Dear Parent or Guardian

Headteacher - Patrick Earnshaw
Deputy Headteacher - Mathew Downs

Art, Design and Technology KS3 Equipment Fees and Creative Cloud

The Da Vinci team is looking forward to welcoming your child for a year of creative study and exciting Technology rotations.

The Art, Design and Technology Department is well equipped and resourced to ensure the best experience and opportunities to fulfil your child’s development within our subjects. To ensure they get the very best education, we are asking for a **£12 contribution towards the resources** available to them in their art and technology lessons (with the exception of food technology), as well as access to Adobe Creative Cloud.

Ingredients for the food rotation will need to be sourced prior to the lessons, a food technology teacher will provide a list of ingredients in advance.

Students will now have access to the Creative Cloud in school as well as at home. Students will be able to download the newest version of all the Creative Cloud packages onto iPads and personal devices, therefore enabling students to work creatively at home whilst being linked to the work they create in lessons (**please refer to the ‘How To Download Adobe’ sheet attached to the homestudy for further assistance**).

Payment should be made using the school’s on-line WisePay facility by going to **‘shop’ > ‘ADT payment’ > ‘KS3 ADT fee’**. **Please screen shot your WisePay receipt and upload to the homestudy, or complete the reply slip below for your child to bring to class**. Receipts are generated automatically on WisePay and sent to the email address you supply when making the payment.

We look forward to the year ahead.

Best wishes,

Mrs Stoodley
Subject Leader ADT

Please return to your ADT Teacher by Friday 27th September 2024
