

TRANSPORT TO HIGHCLIFFE SCHOOL

HAMPSHIRE RESIDENTS

Parents/Guardians can utilise a number of routes to get to and from school, for further details on this please visit our transport page as options differ depending on your Hampshire location.

DORSET RESIDENTS

Parent/Guardians are responsible for the transport arrangements for getting your child to school, including costs

OWN TRANSPORT

If you are dropping off (or picking up) your child, please park on the school side only to avoid dangerous congestion. Please be considerate to the local residents by not blocking access to their driveways. Thank you.

TRAIN

If you choose to use the train as transport from either the Brockenhurst or Southbourne direction you will need to check the most recent timetable for times of arrival and departure. A network of alleyways provides a 15 minute walk from the train to school.

BICYCLE

Cycle sheds are available and are locked during the school day.

For further details on this please visit our Transport page, found at highcliffe.school/SchoolTransport or scan the QR code below.
