In return for access to 'MyHighcliffe' every parent is expected to act in a responsible, ethical, and legal manner.

Parents are expected to adhere to the following guidelines.

1. Parents will not share their passwords with anyone, including their children.
2. Parents will not attempt to harm or destroy data of their own children, of another user, school, or the Internet
3. Parents will not use the portal for any illegal activity, including violation of Data Privacy laws.
4. Parents will not access data on any account owned by another parent.
5. In the highly unlikely chance of a parent identifying a security problem with 'MyHighcliffe' they must notify the school immediately, without demonstrating the problem to anyone else.

HISP Multi Academy Trust is registered under the Data Protection Act. This act requires that all efforts be taken to keep data secure and accurate at all times. 'MyHighcliffe' has been tested thoroughly and we constantly review IT security.
