

WISEPAY - ONLINE PAYMENTS

We are pleased to advise you that parents are able to pay for trips, music lessons and other activities on-line using the web-based system WisePay. This is a well-established, secure payment system used by many schools and colleges around the country (please see the enclosed information). WisePay will accept payments by either debit or credit card.

Parents who are unable or do not wish to pay by this method will be able to pay by cheque (payable to HISP Multi Academy Trust) or cash and the Finance Office will load these payments onto WisePay.

You are able to sign in using either your parental password (included in this pack) or by using your child's password. In order to check whether an activity you wish to pay for is active on the WisePay system, simply sign in and the activities relevant to your son/daughter will be displayed on the screen. WisePay has been set up in such a way that you will be able to pay for a locker and/or music lesson on-line.

If you have any queries regarding WisePay, please do not hesitate to contact the school.
