Assessment from Across Full Course	Date Range	Type of Assessment	Unit/Coverage	Level of Control H, M, L	Weighting H, M, L
Assessment 1: Mock Examination Paper 2 May 2019	31st March 2021	Examination – in classroom	May 2019 Paper 2 – Moving averages, compound interest, geometric series, spreadsheet formula, probability, cumulative frequency box plots, spearman's rank, sampling, formula, substitution.	H	H
Assessment 2: Mock Examination May 2019 Paper 1	28th April 2021	Examination – in classroom	May 2019 Paper 1 – percentages, venn diagrams, probability, compound interest, scatter graphs, formula.	H	H
Assessment 3: Mock Examination Paper 2 May 2020	12th May 2021	Examination – in classroom	May 2020 Paper 2 - box plots, moving averages, mean of frequency table, outcomes, probability tree, venn diagrams, finance, formula substitution, probability,	H	H
Assessment 4: Classroom Controlled Assessment	13TH May 2021	Examination – in classroom	Linear programming	H	M
Assessment 5: Classroom Controlled Assessment	19th May 2021	Examination – in classroom	Probability and Venn diagrams	H	M
Assessment 6: Classroom Controlled Assessment	20th May 2021	Examination – in classroom	Standard deviation	H	M
Assessment 7: Classroom Controlled Assessment	26th May 2021	Examination – in classroom	Correlation PMCC	H	M
Assessment 8: Open book section unit tests – Integral online.	January – March 2021	Online Integral Section Unit Tests. Open book assessment, conducted in silence.	Probability. Venn diagrams. Frequency tree's.	M	L
Assessment 9: Open book section unit tests – Integral online.	January – March 2021	Online Integral Section Unit Tests. Open book assessment, conducted in silence.	Finance, saving/borrowing.	M	L
