All Highcliffe students who have a **CitizenCard** were entered into a draw over Christmas, and Xanthe was our lucky winner. Transdev Yellow Buses are willing to provide all of our students with a FREE CitizenCard so that you can obtain child concessionary fares.

Any student who has not yet applied for their CitizenCard should contact Mr Barnes in the KS3 Office, and he will provide you with an application form.

BRAINTEASER

Last week's brainteaser

Can you find an expression for **2009** which uses all the digits 1 to 9?

For example 2008 = 2156 - 98 - 47 - 3

No one has correctly entered this brainteaser so it is carrying on for another week.

Here's a clue to help you: Use the digits 1,2,3 and 4 to make a 4 digit number to start with.

Answers to be submitted in the brainteaser box with name and tutor group in Ma6 by Friday 30th January. Good Luck!
