Please bring in your Christmas Shoebboxes this week! Take them to your tutor room, to be ticked off on the checklist and then bring them to the Library. Can all tutor groups make 10 boxes? It would be wonderful if we could!

make YOUR mark

Enterprise Week (16th-20th November) is looming and the school is once again going to take part in the National Make Your Mark Challenge on Monday 16th November. We need a team of 6 students from each tutor group in **Year 9** to take part in the

competition. You will be off timetable for the day and working in teams on an enterprise challenge with hundreds of other schools round the country. It will be an inter-tutor challenge for Year 9, with a cup for the winners, PLUS the winning entry will also be submitted for a chance to compete in the Regional finals. We need teams of 6 students, one team from each tutor group. We would also like 6th form students to form teams to compete in the 16-18 age category. Again, teams of 6 but not necessarily from the same tutor group. If you are interested in taking part, please give your name to your tutor to pass to either Mrs Finch or Mr Callear.

On Thursday 5th November period 5 there will be the first meeting of the 2009 - 2010 School Council. Each Year Council should nominate 3 reps who will sit on the School Council. Full school council meetings will take place half termly but there will also be lunchtime meetings every fortnight. We will let relevant people know the venue as soon as possible. Thank you. Mrs King and Mrs Stone.

Calling Year 11s and Year 12s - Are you interested in helping students in KS3 with their reading? We are looking for about 30 students to help support students in KS3 with their reading. We would like you to spend a registration taking an interest in the reading that students in KS3 are doing. If you are willing and able to do this, please let either your tutor or Mr Bryden know. Thank you!
