Open Evening: We need lots of students to help with our School Open Evening on Thursday 15th October, helping out in curriculum areas, or acting as tour guides. If you would like to help in a subject area, please get a letter from your subject teacher. If you would like to be a tour guide, please get a letter from your tutor.

Year 7 and parents Maths booster sessions start on the 6th October 2009. The first session is on Fractions. I hope to see you in Ma5 at 3.30 pm.

Cycle Security Event - Tuesday 13th October 2009: As part of our ongoing commitment to improving the safety and security of our students' property, we are delighted to host another Cycle Security Event at Highcliffe School on **Tuesday 13th October 2009**, when our team of PCSOs (Police Community Support Officers) will be coming back for the morning and will be offering to supply (and fit if necessary) Electronic Bike Tags from 'Immobitag' for just **£5.00**.

Many of you may remember when we last held this event, when a large number of students took advantage of this excellent offer.

Application forms have been sent to all Year 7 Students, but forms are also available to any other Year group Students upon request. Copies are available at Student Support Office. For more information, please see Mr Barnes - Lower School Office.
