**School shop:** Please be aware that the school shop is now operating from the grassed area at the front of school by the Humanities huts. We continue to sell a range of stationary goods, such as pens, pencils, rulers, erasers, highlighters, small note books etc. However we also have bubbles, balls, football swap cards. We have a good selection of handmade greeting cards and now also stock a range of lollies and cakes as well. Please support your school shop and remember - 50% of all profits go to charity!

**PENS for AFGHGAN SCHOOLS:** Rev. Michael Meachin writes from Kabul *"I have been out and about on my rounds. We went to a local school in which we are helping. It was just like Nigeria or India. We are drilling wells and constructing playgrounds, as well as providing reading and writing materials. There are still so many children on the streets, 80% illiteracy!"* If you have any spare pens, pencils, or coloured felt tip pens hanging around at home, please could you bring them in to Mrs Bower in the Sixth Form Office (downstairs). Thank you.

### **Would your family enjoy introducing someone from another country to your way of life?**

There are international students from all over the world at universities in the UK: they speak English and most are in their 20's. They would love to spend a weekend sharing your family life in order to understand more about the UK. You could have fun introducing them to British food, customs, your local community and area; and you could learn about their country and culture. This is an opportunity to make friends across international boundaries. Geography comes alive, and afterwards, any news bulletin about your guest's country will have much more meaning.

**HOST** is a national charity, backed by the Foreign Office, which has been linking students with volunteer hosts for many years. See [www.hostuk.org](http://www.hostuk.org) or call Margaret Astridge, the voluntary organiser in Dorset, on 01458 251699.
