

Highcliffe School Student Bulletin

Monday 5th June - Friday 12th July 2010: **Week A**

Thought for the week:

Kind words are the music of the world. F. W. Faber

Year 7, 8 & 9 students!

This week is the **LAST WEEK** for cashing in merits this year!

Bring your organisers to Mr Yapp in the Library at lunchtime.

The final merit raffles are in assemblies next week!

Year 10 Work Experience: Well done to all the students who have their placements confirmed and all the paperwork handed in. There are still a handful of students who need to return their green parental/student consent forms. Please return these to the 6th form office as soon as possible, or come and ask for a replacement copy. Also, some students need to chase up the blue consent forms from your employer. Please be aware that you will not be allowed to go out to the placement unless both the blue and green forms are in school.

Please remember that you will need to take your log books with you on Friday (9th) and take it with you to your work placement each day. Please complete the diary and when you get a visit from a member of staff, make sure they sign the log book at the back.

Best of luck to you all!

The planning of this year's **Activities Week** is well underway. If you are in Years 7, 8 or 9, look out for the details of activities and opportunities that will be coming out over the next two weeks.

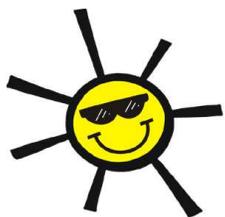

Thursday 8th July 15:05 - 18:05

This is the final training session for both the Bronze and Silver Duke of Edinburgh Award expedition.

We will be planning routes and menus for the final expedition. All participants must attend. See you there!
Mrs Kelly.

Vocalis - Tuesday after school 3.10pm in EX3

Harmonius Funk Jazz Orchestra - Wednesday after school 3.05pm - 4.30pm in the Main School Hall

I wonder: Does a cup of tea weigh more when you add a spoonful of sugar?

Sports Day - Wednesday 7th July is Sports Day. Field events and long distance track events will be taking place all morning and students are to come out for their event 10mins before the event start times. Track events will be taking place in the afternoon and the whole school will be out for this part of the day. **It will be a 3-2 day.**

Tutors will be receiving programmes with all the details. Information will also be on the notice boards in the PE corridor.

It is forecast to be a hot day so please make sure spectators and participants have: sunscreen, hats, and water.

Year 8 End of Year Science Exam: The Science exam will take place for the X half of the year group in their normal Science lesson on Monday 5th July Period 4. Students should go to their usual science lab for a prompt start at 12.20pm.

The Science exam will take place for the Y half of the year group in their normal Science lesson on Tuesday 6th July Period 4. Students should go to their usual science lab for a prompt start at 12.20pm.

Students will need to bring at least one black pen, pencil, ruler, rubber, sharpener and a calculator. The exam will last one hour. Students have been told by their science teachers the topics they need to revise but there is also a list of topics on the Science notice board.

Year 8 and Year 9 students - Make you speak to your Science Teacher to sign up to the exciting Activities Week events! These include - CSI Forensics! Science of Survival! Blood! Science Museum Trip! Hands on with Creepy Crawlies! Space Planetarium! And loads more!!

Year 10 MFL controlled assessments: Students in Year 10 will be doing a controlled assessment in their chosen language(s) on Monday 5th, Tuesday 6th or Friday 9th July. You should be prepared to give a short presentation and answer questions on the topic of school. You will need to go to ML1 at the start of your session (09:00/ 11:20/ 14:05). You can check appointment times on the board outside ML2. The MFL corridor will be blocked off during the assessments and some of your classes may be in different rooms.

A group of our enterprising Year 12 students have produced a book '**Sam goes to Marwell Wildlife**'. Their idea originated through the '**Mark your Mark**' Enterprise Challenge and I'm delighted to say that through many hours of hard work and after overcoming several hurdles they have finally achieved their goal!

As part of the link we have developed with Marwell Wildlife, we have been provided with prizes we can raffle off at school to help promote the launch of the book. Year 12 students who have produced the book will be selling raffle tickets every Wednesday and Thursday Lunchtimes outside the Data Examinations Office.

The price of each ticket is £1.00 and the prizes are:

- 1st Prize - Face to Face Animal Experience at Marwell Wildlife Park
- 2nd Prize - Family Day Ticket to Marwell Wildlife Park
- 3rd Prize - Signed Copy of the book 'Sam goes to Marwell Wildlife'

Mr Callear/Mrs Finch and the Year 12 Enterprise Team

PE Notices
