Shoebbox Appeal

THANK YOU!

Together we have collected **444** Christmas shoeboxes!

This is our highest total since 2004!

Thank you all so much! Lots of children will be very happy because of this!

This week is **Global Enterprise Week** and it is a good time to think about the different enterprise skills that you develop in school, in all your lessons and activities. Understanding about enterprise is more than just watching *The Apprentice* and *Dragon's Den* on TV; it is about recognising skills and qualities that will help you in life. These include: **Self-confidence** (Belief in your own abilities), **Independence** (Capable of doing most things yourself), **Determination** (Not giving up even when it gets tough), **Flexibility** (Coping with change), **Risk Taking** (When you are not sure what the outcome will be), **Decision Making** (Being clear about an idea, having gathered relevant information to help you), **Leadership** (When you can effectively get people to do things willingly for you), and **Creativity** (Coming up with ideas and solutions). Try to focus on these skills during lessons this week to make sure you understand when you are being ENTERPRISING!!
