Monday 28<sup>th</sup> February - Friday 4<sup>th</sup> March 2011: **Week B**

## Thought For The Week:

*"I pity the man who wants a coat so cheap that the man or woman who produces the cloth will starve in the process." - Benjamin Harrison*

All students are reminded **not to bring aerosols into school**. They can be dangerous if sprayed around asthma sufferers and students suffering with allergies.

The **Great Book Swap** is this Thursday, 3<sup>rd</sup> March (**World Book Day**), in the Library at 1.30pm. Donate good quality, clean, reasonably new books, either fiction or non-fiction, and receive a voucher for every book donated! Then come along on Thursday 3<sup>rd</sup> March and swap your vouchers for some new books to read! Mrs Wheeler is now accepting donations for the Book Swap in the Library and with every suitable book donated you will receive a orange/yellow voucher to use on the day.

**FairTrade Fortnight:** Fairtrade is an independent non profit organization. They work with businesses, community groups and individuals to improve the trading position of the producer in the South and to deliver sustainable livelihoods for farmers, workers and their communities.

Buying Fair trade products offers 7.5 million people in the developing world a more secure future.

**Every year FairTrade run an event called 'FairTrade Fortnight'** - An estimated 100 million rural households are involved in the production of cotton in 70 countries around the world. Two-thirds

of this cotton is produced in the developing world. For most farmers in cotton-producing communities it is their only means of income and their only cash crop. In West Africa for example, cotton makes up to 40% of export income. Many cotton farmers also live in poverty - trying to survive on less than \$2 a day. That's why **Fair-trade cotton** is the focus product for this year's Fair-trade Fortnight.

Anything is possible to get involved with this event. You can do anything! Why not tell your friends, show off the label in your community or help the record breaking attempt to have the longest piece of bunting? Look out for all the activities in school being run to make you aware of the need and the impact of FairTrade. Thank you so much for your support, everything you do helps!

**Rock Challenge - Year 9, 12 and 13 students:** A reminder to all Year 9 Expressive Arts and GCSE Dance students and 6<sup>th</sup> Form performing tomorrow. Remember all students are expected to be back at school normal time on Wednesday morning 2<sup>nd</sup> March. Looking forward to tomorrow, wish us luck! Mrs Wills.
