Ballard / Highcliffe Summer Lecture

Friday 13th May 7.00pm

Insurance unlocked!

Our Summer Lecture this year provides a wonderful opportunity for both students and parents to find out more about the world of insurance, and to learn what it takes to make a successful career in this important and expanding industry.

We are fortunate to have Mr Andrew Penn at Ballard to talk to us. As former Chief Executive Officer of AXA Asia Pacific, he will provide a unique insight into life at the helm of this potentially rewarding business.

Refreshments will be provided.
