Monday 14<sup>th</sup> - Friday 18<sup>th</sup> May 2012: **Week A**

**3:2 Days Begin**

### Thought For The Week

*An aim in life is the only fortune worth finding - Robert Louis Stevenson*

### Literacy - Building Your Vocabulary

When answering questions, it's important to be clear about the meaning of the terms in the question. For example, what is the difference in meaning between "Describe", "Analyse" and "Explain"? Try the following and see if you can clearly demonstrate each definition:

- Describe your journey to school
- Explain your journey to school
- Analyse your journey to school

What differences did you notice in how you expressed your points? Which approach do you think demanded the highest level of thinking?
