Monday 25<sup>th</sup> - Friday 29<sup>th</sup> June 2012: **Week B**

## Thought For The Week:

*Learn from yesterday, live for today, hope for tomorrow. The important thing is not to stop questioning.*

## Literacy Focus - Spelling Strategies

These are words that are quite hard to get right: *diary, Wednesday, Parliament.*

**Question:** What would be a good way to remember how to spell these?

**Answer:** They all contain letters that are hardly expressed so tend to get lost. Therefore, it's a good idea to sound them out. For example, D-I-A-R-Y; WED-NES-DAY; PAR-LI-A-MENT.

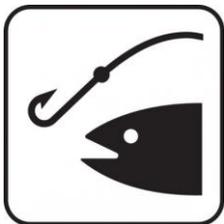

Also: Can you spot the words hidden in Parliament that can help you remember the spelling?  
Parl - IAM - ent.

**Year 10 Work Experience:** Please can you ensure that you have gone to the work experience website and printed off your job description(s):

<http://dorset.learnaboutwork.net/>

You will need to log in and find your job description - this is so you can all read the RISK ASSESSMENT section (at the bottom) to ensure you are aware of any risks that have been identified and any prohibitions or advice. In view of all the focus on H&S - this is really important.

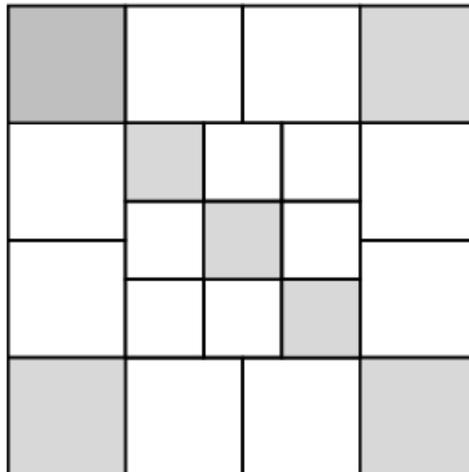

It will also give you the placement details and contacts and activities you may be doing - so generally a useful document to have in your logbooks when they are issued. Also to help you when making contact with placements to check start times and who to report to on the first day. Mrs Finch.

**Fishing Trip - Activities Week:** Fishing trip taking place on Wednesday 18<sup>th</sup> July in Activities Week. No previous fishing experience required, all tackle and bait provided and fully supervised. Leaving school at 9.15am and returning at approximately 4.00pm. This trip is open to Year 8 and Year 9 students. Please come and see Miss Burden in IT3. Places are limited and it is on a first come first served basis.
