Monday 14<sup>th</sup> - Friday 18<sup>th</sup> November 2011: **Week B**

## Thought For The Week:

*"We cannot do great things on this Earth, only small things with great love." - Mother Teresa*

**Christmas Shoebox Appeal:** a very big **THANK YOU** to everyone! Together we have collected **576** Christmas Shoeboxes! This is the highest we have ever collected!

This week is **ENTERPRISE WEEK!** Enterprise is not just about The Apprentice or the Young Apprentice television programmes, or making and designing new products, or raising money for charity. Try to remember that enterprise skills can be applied to every subject in school and can help you develop certain qualities that employers look for. Think about ways, in school and outside school where you have shown you have been: **CREATIVE, WORKED AS A TEAM/INDIVIDUAL, TAKEN RISKS, USED INITIATIVE, BEEN INNOVATIVE, MADE OPPORTUNITIES.** Be able to give examples you could include on your CV or personal statement to make sure you stand out from the crowd in the future.

**PE Clubs:** Due to bad weather and light Netball Club will not be taking place again until February. Instead there will be a Badminton Club for Years 7 & 8 and a Netball Fitness Club for Years 9, 10 and 11. These new clubs will be starting on Wednesday 16<sup>th</sup> November. Miss Swan and Mrs Webber are looking forward to seeing you there.

**Mosque models:** Message to Year 8 students taught by Mrs Downie -

Unless your mosque has been selected for display, please could you ensure your model is taken home by the end of the week. They are currently being stored in the entrance to HU5/6, at the back of Mr Goddard's room (Hu5) and in Mr Goddard's cupboard. Please collect asap. Thank you. Mrs Downie.

**Actor, Peter Courtney** will be in school on Monday 14<sup>th</sup> November during periods 3 and 4 to work with Year 12 and 13 Acting students as part of their BTEC course. Students should report to the Performance Hall at 11.20am. Mrs McGrath.

**Maths Club** starts on Friday 11<sup>th</sup> November in Ma7 - everyone welcome! Investigate fun maths problems like if a train travels 70 miles at 70 miles per hour, why does it take 1.5 hours to complete the journey? And generally do all things to do with Maths, or just get help with your homestudy.

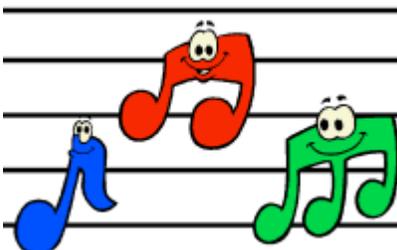

**Dining Hall Tables:** as the dining area is currently very busy, students clear up their litter when they leave the dining tables at lunch time. This will help to keep dining tables clear for the next users.

*I WONDER..... Can you get lost if you don't know where you are going?*
