Year 7 Monkey World Appeal: Please support the appeal by bringing into school old blankets, t-shirts, towels and socks! Items are being collected before registration in the covered way by our Year 7 students. Further information about the appeal will be shown to you through your tutor, the school website and the TVs around school. Mr Dean.

Lost Property: There are a lot of unnamed coats, hoodies and sweatshirts in Lost Property in Student Support. Please come and look if you have lost anything during the last few months. All unclaimed Lost Property will be collected by a local charity shop on Friday 23rd March. It is not possible to keep it any longer than this as Student Support is running out of room. Thank you. Mrs Thompson.

Empty crisp packets: please bring in all empty crisp packets and place in the box in the upper school office. This is to enable a number of Year 11 students to compete in a hair dressing show. We would really appreciate all empty crisp packets but especially ready salted and prawn cocktail.

Transport for young people in Dorset: The issue of transport for young people in Dorset is a priority for many young people and youth organisations across the county. To help understand and address the issue, Dorset Children's Trust is organising a **Transport Summit on Wednesday 4th April 2012 at Kingston Maurward College, Dorchester**. The event will be held from 1.00pm until 4.00pm, with arrival and lunch from 12.30pm. Please note that this is in the Easter holiday.

Omar Sharif, who used to be a student here is one of the key organisers and would like Highcliffe School to be represented. Senior managers from the Children's Trust and from other departments in Dorset County Council will be present at the event. It is also hoped that there will be representatives from transport companies and organisations. The summit will consist of a number of sessions including workshops and a Question and Answer Panel. If you are interested and would like to find out more, please see Mrs Stone.

Commit to be fit! Are you in Year 10 and 11, do you know the facts about binge drinking, smoking or testicular cancer? Are you worried about what may happen if you fall asleep in the sun? Or what if you are at uni and your friend is complaining of headaches, neck stiffness and photophobia what would you do? If you have would like some information about these topics and others please come and support Year 12 Health and Social Care students on 16th March in the Sixth Form Study Centre at lunch time 1.30pm - 1.50pm.
