The easiest solution though is to have your own supply with you. Thank you. Mrs Thompson.

Use the next few days to make sure that you have made all your appointments!

**Our Japanese Friends** ... Our Japanese friends will be with us for one more week. They have enjoyed themselves so far this week and have enjoyed the friendly welcome. Highcliffe School is pleased to announce that the **MyHighcliffe App** has recently been launched on the Windows Phone and a prototype is already written for the yet to be released Windows 8 'Metro' platform. This now means MyHighcliffe is across all major smartphone platforms:

They can also view other information and resources including:
