

# Highcliffe School Student Bulletin

Monday 10<sup>th</sup> - Friday 14<sup>th</sup> June 2013: **Week B**

## Thought For The Week:

*"The weak can never forgive. Forgiveness is the attribute of the strong." - Mahatma Gandhi*

## Literacy Focus:

The following sentence is far too long and is difficult to follow. It needs to be broken down into smaller sections. Re-write the paragraph so it reads much more clearly. Hint: Turn it into three sentences.

Once you have done so, ask yourself which is clearer and why.

*Although Highcliffe is in many respects a good place to live there are lots of problems that need sorting out and it is important that we sort them out sooner rather than later so we can move forward because if we do not they will be even bigger in the future.*

Tip: Avoid sentences that are too long. Generally, you should keep to a maximum of two ideas per sentences. If you want to put other ideas in, then separate them out into different sentences.

**The use of aerosols is banned within school.**

**Roll-on or stick deodorants are permitted.**

Students are reminded to be aware of how **dangerous aerosol cans can be** to asthma sufferers. It is a school rule that aerosols are **not** brought into school. Do not bring in deodorant sprays or other aerosols. Please think of others and leave your aerosols at home!

**Multi-Agency Support for Students:** Following the recent assemblies, informing students of the support that is available to them from the agencies who work closely with school, a student self-referral form has been introduced. The agencies mainly involved are, the school nurse, Ansbury Careers, ShADOWS(drugs and alcohol), police and our own peer mentors.

The new self-referral forms are placed outside of the Student Support office and also in the library, together with locked boxes for confidentiality. You will also find forms in your tutor room. **These forms now replace the former Peer Mentor referral forms.**

If you would like any more information about this help and support, please come and see me in Learning Support. Thank you, Mrs King.

**Year 9 WRL taster session:** The students who have been given a letter about the **Hair & Beauty or Construction taster sessions** at Arnewood on Tuesday 11<sup>th</sup> June, need to get their medical forms back to Mrs Finch or Student Support. You should arrive in full school uniform and get registered when the bell goes and then meet Mr Sherwin by the main reception area at 8.45am. You will be back for break.

### Numeracy Challenge: Triangulation

The drawing shows a regular pentagon with all its diagonals drawn in.

How many triangles is it possible to trace out in this diagram?

The triangles do not have to be different in size.

Thank you to all who supported the **Year 8 Numeracy Challenge** during the week before half term. The winner of the sweets was Mrs Patterson who guessed that there were 205 (it was actually 203!).

The following won the raffle prizes:

Ticket 126 Ace Ventura DVD - Jay	Ticket 151 The Producers DVD
Ticket 27 Doctor Who 3 Disc 1 DVD - Mrs McGrath	Ticket 7 Doctor Who 3 Disc 2 DVD - Mrs King
