

# Highcliffe School Student Bulletin

Tuesday 7<sup>th</sup> - Friday 10<sup>th</sup> May 2013: **Week B**

### Thought For The Week:

*"Don't hate, it's too big a burden to bear." - Martin Luther King*

### Literacy Focus:

Many English words have a Greek word as an origin. For example, "photo" comes from the Greek word for "light"; "syn" comes from the Greek word for "together" or "with".

How can this help you explain the word "photosynthesis"?

How about "synthesiser"?

**Toast Trial:** On Tuesday (after the bank holiday) the school kitchen will begin a new trial toast breakfast service from the new window at the front of school. This will be from around 8.15am until 8.30am with students being allowed to purchase 2 slices of toast at 20p per slice.

**Year 9 & 10 Rounders Club** this week is on Tuesday (7<sup>th</sup> May) after school. I will be selecting a team for a Year 10 match on the Wednesday, so if you would like to play you must attend the practice. Mrs Webber.

**Parent Car Share:** we have been contacted by a parent who is moving to Wick, and was wondering if there were any other parents living nearby who would be interested in sharing lifts to and from school. If any parent is interested in finding out more, please contact Mr Yapp at the School in the first instance.

## Numeracy Focus: Strings of Beads

Beads are threaded on a string in blocks of seven: first 7 red beads, then 7 blue beads, then 7 red beads, then 7 blue beads, and so on.

The beads are then numbered in order  
1, 2, 3, 4...

What colour is the 400<sup>th</sup> bead?  
What number is on the 400<sup>th</sup> red bead?

Answers to be placed in the box in MA7 by 1.20pm on Friday 17<sup>th</sup> May 2013, please.  
The first correct answer drawn will win a prize!

The winner of last week's numeracy challenge was Brooke Etheridge in 7.6, who has won herself a bar of dairy milk chocolate and a Highcliffe pen and pencil! Well done, Brooke!
