**This is an important page in your planner.** On this page, there are some questions. You should use these questions after completing any piece of written work. These questions will help you check your writing. They will help ensure that written work is completed with **pride and precision**. This will help you make **progress**. Why not keep this page in front of you as you write to remind you of what you need to be thinking about?

**2012 Dance Evening - All Years:** A chance to perform 'your dance', your style! If you would like to find out more there will be a meeting Thursday lunchtime at 1:40pm in the Dance Studio. Mrs Wills.

**Radio Control Cars Club:** Tuesday and Thursday lunchtimes, 1.30pm onwards - bring sandwiches if you like!

**Science Ambassadors Meeting:** Please attend a short meeting at 1.20pm on Monday 10<sup>th</sup> September in Lab Sc7. Please be prompt. Mrs Barclay.

**Instrumental Music Lessons:** The deadline for handing in money has been extended until Thursday 13<sup>th</sup> of September. If you would like to have lessons through the school, please bring in your cheque to finance before this date. We still have space for drum, woodwind and violin lessons. I am afraid that guitar and singing lessons are now full but if you can add your name to the list for next term by going to student support.

**Wow Factor!** We are looking for students to enter a talent competition run by the Expressive Arts department and The Rotary Club. There are three categories; 'Music', 'Dance' and 'A Talent'. The final performance and judging will take place in November in the Ball Room at Hobourne Park. If you would like to take part, please sign up on the sheets in the music department. You must have your backing track ready and each audition must not last more than 90 seconds. First round of auditions will be in the week starting 24<sup>th</sup> of September, so get practicing!

**Lunchtime IT Club** runs every Thursday in IT3.

Congratulations to the following Year 13 students who all gained their **Foreign Language Leader Award**:
