

Highcliffe School Student Bulletin

Monday 3rd - Friday 7th November 2014: **Week A**

Thought For The Week:

"If you can't feed a hundred people, then just feed one" - Mother Teresa

Christmas Shoebox Appeal: THIS IS THE FINAL WEEK!

Please get involved and make up a Christmas Shoebox for under-privileged children around the world. When you have made your box, please bring it to the Library. Please call all completed boxes be brought into school by Wednesday 5th November.

Come and wrap a shoebox!

Santa's helpers needed at the 'Wrapping Station' in the Library, lunchtimes after half term! Extra donations of wrapping paper and small items to fill shoeboxes are very welcome!

DO YOU WANT TO GET INVOLVED IN VOLUNTARY WORK LOCALLY?

Mundeford Wood Community Centre needs YOU!

Mundeford Wood Community Centre is run by volunteers and is a registered charity (no. 1141612). We rely on them for the day to day running of the centre, but unfortunately there isn't enough to help with our fundraising events and general events throughout the year at the centre, so that's where you would come in. We have formed a Junior Volunteer group to not only get young people involved in the centre and community service but also to give you some great experiences and skills that could be used in later life. We also meet once every 2 months to discuss bringing young people into the centre and other issues like this one. This is open for any age group.

If you are interested in becoming a Junior Volunteer at Mundeford Wood Community Centre and want any more information, please E-Mail Sam on samuelweeks13@gmail.com and pick up an application form at Student Support.

The BIG LAUNCH.....of the Highcliffe School Music Tech record label

As part of the BTEC Music Technology coursework our Year 10 and 11 music students are launching the school record label with the release of 6 mix CDs containing the students' own compositions. These will be on sale all next week for Children in Need 2014 and all profits will go to the charity. There will be a CD stall outside Data & Exams every lunchtime all next week. Some of these students will go on to become successful producers so why not ask them to sign a copy before you purchase - it may be worth a lot of money one day!

Literacy Focus:

Spelling Walls - A reminder to use your spelling walls on page 179 of your planner. You should have some spellings you could put in there now!

DEAR - Remember: Which day is your DEAR day?

The **Science support session** on Wednesday the 5th of November is for the X half of Year 11. We will be discussing the P3 unit, sections A-D (speed, changing speed, forces and motion, work and power). Please aim to arrive in good time and equipped with writing equipment and calculators if you wish to attend this session.

The **school garden** has now been covered and most of the beds will remain inactive over the winter. The garden is still active however and we have garlic and broad beans currently planted in as winter crops. Our attention will be turning to planning for the 2015 garden after half term and as such we will be meeting in Sc8 after school on Tuesday.
