Monday 24<sup>th</sup> – Friday 28<sup>th</sup> November 2014: Week B

### Competitions

#### **Photography Competition (VDN)**

The subject for the **NACE** photography competition this year is: 'I spy' (a view through my lens). The title gives huge scope for entrants to be really creative and original. Students may wish to think about looking closely at details in our world – close-ups of the patterns in nature, bark on trees, patterns in stones, textures in feathers or fur – or the mechanical world of machinery, car grills, manhole covers, etc. Students may highlight the details of the sumptuous delights of home baking, the moist golden texture of a freshly cooked cake dripping with jam, or a steaming roast dinner. Alternatively they may wish to record curious, comical or even worrying incidents – the hairy spider running down the wall or perhaps a person's response to the spider! – Or people or animals hidden in unusual settings. Just about anything goes – have fun.

The competition is open to all school pupils in two categories, primary and secondary and closes on Friday 30th January 2015. The prize will consist of the winning photo in each category being made into a canvas print. (Winners will need an electronic version of their photo) The competition rules can be found on the website: [www.nace.co.uk](http://www.nace.co.uk) for entry details please come and see Mrs Dedman.

## Trips

### **Year 12 and 13 ADT London Trip – (SNS)**

The KS5 ADT London Trip is taking place on Tuesday 25<sup>th</sup> November. Departure time from the front of school is 7.05 am. Anyone who has signed up for the trip should bring any specific equipment your teacher has asked you to bring, along with a little spending money and clothing suitable for a day in London. You should meet at school reception by 7am ready for a prompt departure at 7.05am. Make sure you get your name checked off by a member of staff upon arrival. Remember that any work you have missed from normal timetabled lessons should be caught up and it is good manners to let your normal teachers know of your absence on this day.

## Literacy Focus

The apostrophe is in danger! It's either gone missing or turning up in places it shouldn't be! Help preserve its proper use for future generations.

This week, make an extra effort to check your apostrophes. Remember this rule for one kind of apostrophe:

The apostrophe goes after the thing/ person/creature doing the possessing e.g.  
(One cat) – The cat's whiskers are long.

(Two or more cats) – The cats' whiskers are long.

## Clubs and Revision Sessions

### **Book Club - Books & Biscuits!**

Our Book Club has a new name 'Books & Biscuits', which describes us perfectly! We'd love to see some more Yr 7s joining us for fun, book-related activities and would like to invite you to our Christmas Quiz and Craft on Wednesday 3 December from 1.20 in the Library. Bring your lunch or ask at the Library for a lunch pass.

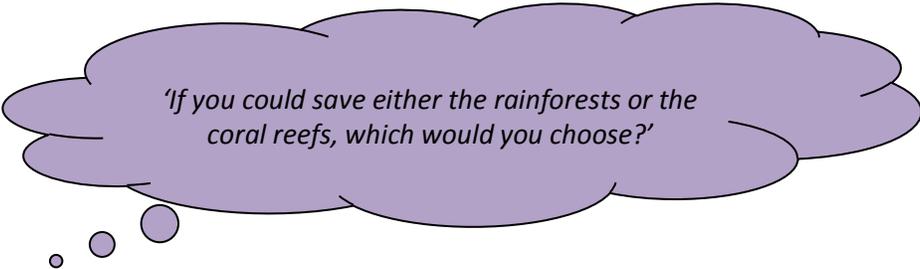

See you there!

### **Year 11 Thursday science support session.**

This week's support session is for the Y half of the year 11 group. We will be covering the B3 unit sections E-G. This includes; circulatory system, growth, genetic engineering and cloning. Please arrive in sc8 for a prompt start and come equipped with writing materials and revision guides if possible.
