General Notices

Mr Yapp's Skydive for Parkinson's UK

On Saturday 16th May, Mr Yapp will be making his first ever skydive! He will be doing a charity tandem parachute jump on behalf of Parkinson's UK.

This is a charity that is close to his heart: "having seen close members of my family suffer from Parkinson's, I know how hard living with Parkinson's can be. With your help, I would like to raise funds to support the fantastic work that Parkinson's UK does. One person in every 500 has Parkinson's. That's about 127,000 people in the UK. There's currently no cure for Parkinson's and we

don't yet know why people get the condition. Parkinson's UK supports people with Parkinson's and their loved ones. They also fund research into this disease and provide training and support for health care professionals. Parkinson's UK aims to give all those involved with this condition the chance to live their lives as best they can for as long as they can. As the charity says, "Because we're here, no one has to face Parkinson's alone".

If you would like to support Mr Yapp's fundraising efforts, please visit

Final HPV Immunisation for Year 8 Girls (KTN)

You will be collected for the injection on next Tuesday morning, 19th May. As it is your second injection, I am sure you will all be fine but please make sure you eat breakfast. Thank you. Mrs Thompson

I wonder.....

"Was Oliver Cromwell the father of British democracy?"
