

Highcliffe School Student Bulletin

Monday 27th April – 1st May 2015: Week A

General Notices

Rocket Car Activity (SNS)

Miss Berkeley and Mr Nicholls will be running another Rocket Car activity for about 4 weeks from Tuesday 28th April. This is open to students in Y7 and Y8. It will run from 3.15 to 4.15 and will be based in AT1. It would be helpful if you create your own team as there will be competition to see which car goes the furthest. Team sizes should be no larger than 3 in size. Students who successfully complete their logbook can attain the Bronze CREST award.

Water Bottles (KTN)

Please remember to bring a drink into school with you as the warmer weather is here and dehydration can lead to headaches so drink up!!

Mrs Thompson

Japan 2016 (DBN)

Are you interested in visiting Japan in October 2016? There are still places available on the trip. If you are interested, please get a letter from your tutor or Mr Bryden in En1 or the staff room. There is a meeting on Tuesday 28th April from 6.00 to 7.00pm in En1. If you can't make it, let me know and I will be in touch. Mr Bryden

Duke of Edinburgh (CFM)

Year 10 Duke of Edinburgh students can attend a route planning drop in session during lunchtimes in MA7 this week. You need to make sure your route is complete and written up by Friday 1st May.

DEAR (DBN)

Which day is your DEAR day? Don't forget your reading book!

Word of the Week

Possible

A Way to Remember: Learn it and link the word with a related word.
Make up a silly sentence with similar words.

It would be a miracle if it were possible to use a thistle as a whistle.

Eco club (RCN)

We have received this years 'grow and sell' kits from Waitrose and have already started to put these to good use. Waitrose have kindly agreed to host us during activities week again this year and we are looking forward to selling a wide range of produce. The garden is stocking up quickly now and we have a variety of new crops being planted – it should be a good year!

Those of you who kindly contributed to the crowd funder project last year may be interested to know that the young trees we received have survived the winter and are fully in bud. If we are fantastically lucky, it looks as if one or two may come into fruit later this summer.

This time of year is always busy in the garden. It will start to be active during lunchtimes as well as after school on a Tuesday and help is always welcome. If you would like to be involved please contact Mr Craven in Sc8

Year 12 Biology revision (RCN)

This Thursday we will be tackling the 'Exchange and Transport' section. It would be very helpful if attendees bring revision guides/textbooks to this session. Please arrive in Sc8 after school for a prompt start.

Year 10 NEWSFLASH **from next week**

Citizenship GCSE Revision sessions will increase to 2 per week TUESDAYS and THURSDAYS HU1 and HU2 at 3.10PM
