World Challenge (SNS)

Every two years the school runs a World Challenge expedition that visits far flung places around the world. So far we have visited India, Madagascar and Vietnam/Cambodia. The students who participate have to raise the cost of the trip as well as source specific kit and make sure they have the correct inoculations. They have to develop highly effective team work skills and will manage a large budget to make sure the team have somewhere to sleep each night and are well fed over the 3 ½ week trip. This year we are travelling to Borneo at the beginning of July. Please take a look at the link below where you can see the draft itinerary for the trip as well as see updates as the group progresses around the country.

We are delighted to be able to offer the opportunity for Highcliffe students to take part in our upcoming Music tour to Rhine and Moselle, Germany. It is intended for musicians across all year groups and extra-curricular ensembles to take part, providing them with a new experience of performing abroad in a new and exciting environment. The visit will run during activities week next year from **Saturday 16th July to Wednesday 20th July 2016**. Please see a member of the music department for a letter. A non-refundable deposit of £40 is due **Friday 12th June 2015**. Places are based on a first come first served basis

Year 9 Peer Mentors – Hear4U (VDN)

Congratulations to the 18 successful applicants who applied to become Peer Mentors. Interviews were held before half term and all students demonstrated excellent interview skills. 54 students put in applications so it has been a very difficult decision making process. We would like to thank ALL applicants for their time taken and interest they have demonstrated in **Hear4U**. It is just a pity that we can't appoint you all!

The first training day will be held on Wednesday 10th June at Leeson House when the new Peer Mentors will undergo intensive training on a whole range of issues. We look forward to working with another great team of students.

Mrs Dedman & Mr Prodomo.

ADT Exhibition (SNS)

Over the next few weeks the annual Summer ADT exhibition will be being created in Da Vinci. It will evidence the high quality of work that has been produced by our Year 11, 12 and 13 students over the past year. The private view will take place on the 18th June where any student from these year groups has the opportunity to view some of the work produced as part of the ADT GCSE and A Level courses whilst also enjoying canapé's served by some of our Catering students. The exhibition will remain up until the final week of term. Mr Nicholls.

Eco club (RCN)

We now have a wide range of plants growing in the garden (over twenty different types of fruit, vegetables and herbs at the last count) – there is still a little more space to squeeze some additional crops in and help is always welcome on a Tuesday afternoon after school. The garden has had an irrigation upgrade this week and is looking particularly verdant as a result-it will not be long before we start to harvest some of the early crops. Suitable outdoor clothing is essential as always!

Bar Mock Trial Competition 2015

This year, Highcliffe School has applied to take part in the Bar Mock Trial Competition. Run in partnership with the Bar Council, this competition gives students an exciting insight into the workings of the legal system and we are looking for participants!

Students, aged 15-18 years (in November 2015), work in teams to defend and prosecute two specially written criminal cases, developing their advocacy, communication and other employability and social skills. You can take on the roles of barristers/advocates, witnesses, court staff and jurors and your performances are judged by real

"The legal system provides the mechanism for resolving disputes about our rights and responsibilities: citizens of tomorrow need to understand the way it operates. How much better is it to do so while also developing skills in literacy, advocacy and debate? The Bar National Mock Trial Competition provides all this in a challenging and enjoyable environment. I encourage as many schools as possible to take part."

Lord Justice Leveson

Be part of the largest, practical, court-based public legal education project working with young people across the UK.

judges and senior barristers. You will present your case against teams from other schools. First, you have to become familiar with the case and then you have to battle it out in real courtrooms, in front of real judges! The school will put together a team of 15 students and you must be aged 15-18 in November 2015. In addition to this you will be required to attend one rehearsal after school each week and be prepared to undertake some independent preparation work in the summer holidays.

Not interested in performing in the competition?

If you're not sure about performing but would like to be involved then you may consider becoming a Court Artist or Reporter. These competitions run alongside the Bar National Mock Trial Competition. They provide a unique opportunity to find out more about the work of court reporters and/or court artists. After watching one of the trials at a regional heat, the Reporter will write a newspaper article reporting on the case they have watched.

If you are interested in finding out more, please contact Miss Crump or Dr Riley or come along to a meeting in GL1 on Wednesday 10th June at 12.20pm. Auditions will take place during the week beginning 15th June. [#BarMockTrial](#)

"Thanks to the BMT I have developed a profound and very unexpected respect for the UK legal system. I now have knowledge of the different aspects involved in the trial of a case and the high levels of skill required to be successful. The experience has driven me to now pursue a career in the law whereas before I had always thought I'd be on the receiving end of a court case. Thanks for this new perspective."
