Eco club (RCN)

Eco club 2016 is up and running! We have started to clear the garden from last year in preparation for the next growing season. The Eco club meets every Thursday after school until 16:00. We meet in the garden if weather is clear, SC12 if it is wet! All lower school students are welcome to attend and learn how to grow their own food. Suitable outdoor clothing is essential and suitable footwear (wellington boots) highly recommended.
