

Highcliffe School Student Bulletin

Monday 20th-24th February 2017: Week B

General Notices

Year 10 Mock Interviews (VDN)

Day three of the Year 10 Mock Interview programme takes place this Thursday 23rd February in the Library (hence the LRC will be closed all day). Students have been exemplary so far and the interviewers have really enjoyed hearing all about the students' achievements and interests. Well done Year 10! Do not forget to bring a smile, something you are proud of to share and shiny shoes!

Student Library Survey (MHY)

You will find on your 'myhighcliffe' a library survey. To complete this you need to select my data, followed by forms and surveys (in some cases there will be a link in 'my notifications'). By completing the survey, you will contribute to the collective voice of students in the school. The survey is part of the school's self-evaluation to assess the provision we provide for you in the library. Your viewpoint is important, so thank you in anticipation.

World Challenge Nepal 2018

Thank you to all the students and parents who came to the launch meeting of this expedition. It was good to see such a positive audience response! Should any of you have any more questions or if you would like an information pack, please go either to student support or find Mr Evans on the tennis courts at lunchtime!

Curry Day Monday 20th February 2017 (Canteen)

Monday 20th February is 'Curry Day' in the canteen. You will be able to purchase the following dishes at lunchtime.

Extras:

Indian selection

Bombay potatoes

Curry take-away pots

World Book Day (MHY/SJA)

To celebrate World Book Day we are delighted to announce, authors' Jason Rohan and Lil Chase will be visiting the school on Wednesday 1st March. Jason and Lil will be giving two interactive workshops on the plot structures and creating characters, for a selection of year 8 students.

At break and lunch time Jason and Lil will be in the library to answer any questions students may have, and to sign books. A selection of books will be available to purchase either on Wisepay or with cash on the day.

Fans of Jason's Kuromori series will be pleased to know the third book of the series 'The Stone of Kuromori' is now published and is available to purchase. Jason's books are offered to students at the price of £4.20, this is 40% off the recommended retail price.

World Book Day tokens have been received and will be handed to you by your form tutor. The tokens are valid from 27th February - 26th March and can be swapped for a free World Book Day book, or to get £1 off any book or audio book worth £2.99 or more, at your local bookseller.

On Thursday 2nd March, students using the library at lunchtime will be able to take part in a World Book Day library crossword and wordsearch competition. We will also have the range of World Book Day books available for sale at the price of 50p (cash only). Please note we cannot accept your voucher for purchase of these books.

We look forward to seeing you in the library!

Lost property (KTN)

An expensive coat was left on the Brockenhurst bus before Christmas. Still not claimed. Exact description needed please.

Also two orange and clear food containers in a stripy carrier bag. Looks like cake crumbs inside – birthday cakes brought in. There must be a mum out there missing these boxes.

Blue Nike size 7 trainers.

Please contact me in Student Support. Thank you. Mrs Thompson

Clubs and Revision Sessions

STEM Tech club

Takes place on Wednesdays each week. The club has started well with 6 teams of students signed up to enter the BP Bright Ideas competition to design a solution to power a city on the south coast in 2050. The students were all working hard to start initial ideas for this challenge which we are aiming to complete just after February half term to be in with a chance of a substantial cash prize! James, Beth and Pat

Music Notices

MUSIC CLUBS STARTING AGAIN

After a successful Production of 'Little Shop of Horrors' the Music Department will be restarting all clubs.

If you have not yet been to a club feel free to come along.

	Lunch	After school
<u>Tuesday</u>	Woodwind Ex2 Piano/Percussion Ensemble Ex3	
<u>Wednesday</u>	Theory Ex2 Choir + Choir Band Ex3	
<u>Thursday</u>	Ukulele + Guitar Ex2	Cubase/Coursework Ex5 Concert Band Ex3 (Grade 3 and above)
<u>Friday</u>	Jammin' Club Ex2	

STEM

The next challenge in the STEM calendar will be launched after half term. Year 12 students will run this. The Powerboat challenge is in coordination with QinetiQ and involves designing and building a powerboat. More details to follow.

STEM Clippings

Miss Letitia Geer invented possibly the most common medical instrument - the medical syringe, in 1899. This differed from previous versions in that it can be operated with only one hand!

Whole-School Literacy

Spelling Focus: Closing the Gap

Here are three words that are commonly misspelled:

environment

government

opportunity

Questions:

1. Where are these words Danger Zones?
2. What strategies would you use to remember the spellings? (There is a different strategy for each spelling.)

Here are some options:

- Learn a rule.
- Find the root word and build from that
- Make a silly sentence or use some other trick to help you remember.
- Sound it out
- Word within a word

Answers:

1. The Danger Zones for the above words are:

environment (sometimes the “n” is missed out)

government (sometimes the “n” is missed out)

opportunity (sometimes a “p” is missed out and the “or” part is misspelled.)

2. Here are some strategies:

environment – Look at the root word: **environment**

This is not a very well-known word so you might be better off **sounding it out** in an exaggerated way:

En-vi-ron-ment

Or look for the word within the word: **Ron** loves the **environment**.

Government – Look at the root word: **government**.

We can all spell “govern”. Well, **government** still keeps the “n”.

3. opportunity

People often get this one wrong. Can you think of a way to remember this?

Let me know and I will give you a commendation!

Do not miss!
