

Highcliffe School Student Bulletin

Monday 20th - Friday 24th March 2017: Week B

General Notices

Johoku and Highcliffe School Friendship Exchange Programme

This week we will be welcoming our friends from Johoku School in Hiroshima, Japan. 14 students will be coming along with two members of staff. They are really looking forward to being here. Please give them a warm and friendly welcome when you see them in the corridor or classroom.

If you see them in the morning, say, "Ohio!" (This means "Good morning!"). If you see them later in the day, just say, "Konnichi-wa!" (This means, "Hello" or "Good day").

Red Nose Day (MWR)

Friday 24th March is Red Nose Day. At lunchtime there will be a staff male v female netball game. If you would like to watch this exciting game please bring 20p. All money will be donated to the Red Nose Day charity.

Team Maths Challenge (RCE)

The four students mentioned below will be out of school all day on Wednesday 22nd March for the Regional Final of the Team Maths Challenge.

James	Arnold	8.7(CLK)
Jacob	Grant	8.6(GMT)
Tom	Morris	8.1(SBS)
Annelie	Davis	8.3(DLH)

The students need to meet at reception at 8.45 am. They must be dressed in normal school uniform and need to bring a packed lunch and drinks for the day. They will need to bring pens, pencils and a rubber but will not need any measuring equipment or a calculator as these are not allowed in the competition. They may also want to bring a pair of trainers to change into as one of the activities may involve running short distances. Students should expect to arrive back at school around 3.45 pm.

Please can I ask the students to return their consent and medical forms to me as soon as possible.

STEM Tech club

Takes place on Wednesdays each week. The club has started well with 6 teams of students signed up to enter the BP Bright Ideas competition to design a solution to power a city on the south coast in 2050. The students were all working hard to start initial ideas for this challenge, which we are aiming to complete just after February half term to be in with a chance of a substantial cash prize! Spelling Focus: Closing the Gap

Here are three words that are commonly misspelled:

- biased
- opportunity
- necessary

Questions:

1. Where are these words' Danger Zones?
2. What strategies would you use to remember the spellings? (There is a different strategy for each spelling.)

Here are some options:

Answers:

1. The Danger Zones for the above words are:

biased (sometimes the last sound is written with a "t")

opportunity (sometimes a "p" is missed out and the "or" part is misspelled.)

friend (sometimes the "l" is forgotten or swapped round with the "e")

2. Here are some strategies:

Biased – Sound it out: bias – ed

Opportunity – Look for a word within the word: Op + **port** + unity. We all know how to spell "port" so remember that opportunity has a "port" in it. (Thank you to Samuel Rapoport for this idea. He has received a commendation for this tip.)

3. Friend

This is a simple word, but one that people often get wrong. Can you think of a way to remember?

Let me know and I will give you a commendation!
