The Best Words. In the Best Place.

This week's "Word of the Week" is ...

Phenomenon

What does "phenomenon" mean? Does it mean ...?

A phenomenon is something that exists, especially a fact or situation whose cause is uncertain.

Examples:

Ice-bergs are an interesting phenomenon.

Crop circles are a strange phenomenon.

Further Definition

Someone who is a "phenomenon" is also someone who is amazing in some way: "Mr Bryden is a footballing phenomenon."

A remarkable thing:

"That band were a wonderful pop phenomenon."

Critical Thinking - apply

Can you give any examples of phenomena?

Aliens? A sportsperson?

Commendation Opportunities:

You might understand the meaning of this word now, but can you use it?

Try and use this word in class in writing or in speech. You might get commended for an effective use of it!

Break-through commendation: If you use it incorrectly first time, but try again, you might receive a break-through commendation!
