Monday 12<sup>th</sup> – Friday 16<sup>th</sup> March 2018: Week B

### General Notices

#### **Year 10 Girls in Engineering (PES)**

Are you a girl in Year 10 who has an interest in engineering? Do you see yourself as the next great inventor, astronaut or someone who can change the world and make it a better place? Then Easter may be the chance for you to investigate this. Below are links to two courses run by the Small Piece Trust that may be of interest:

#### **Humanitarian Engineering: Girls only course**

Find out how engineering can change the world. Engineering innovation impacts on critical situations and can help people to live safely and securely. This course provides a chance to find out what technology development can do.

#### **Physics in Engineering: Girls only (Full for boys)**

Get up close to the extraordinary world of physics in engineering, working alongside experienced engineers, scientists and academics to discover its place in our fast-changing high-tech world.

The courses are for male and female students but there are only places left for girls in Year 10 on both.

#### **Science Week (LCS)**

The theme of Science Week (9<sup>th</sup> – 18<sup>th</sup> March) this year is discovery and exploration. To celebrate we will be holding Spotlight Days. Starting on Wednesday of this week we will be casting the spotlight over chemistry, Thursday is the day for all things physics and on Friday our gaze will turn to biology. Look out for some great demonstrations shown by your teachers on these days.

The science notice board by the staff room will also highlight some of the great discoveries made by scientists so do take a look.

#### **LIVE LOUNGE AUDITIONS – MONDAY 19<sup>th</sup> MARCH**

It's nearly time for Highcliffe's Live Lounge event! If you are a fan of Radio 1 Live Lounge, then this may be the event for you. This event is organised by Year 13 BTEC music students as part of their course, with the aim of putting on an evening of music in the performance hall that follows the "Live Lounge" theme. If you think you could do your own cover version of a pop song, or, would like to perform your own composition, then sign up in any of the music rooms (ex2, ex3 or ex5). You can audition as a soloist or as a small group. Auditions will be on Monday 19<sup>th</sup> March after school in ex2.
