

YEAR 7 GRAPHICS 'TOP TRUMPS'

The Top Trumps Brand needs a new set of cards designed based on the theme of Superheroes. Your new designs are to be based on two superheroes combined into one new character to create a character design with special powers and strengths unique to them.

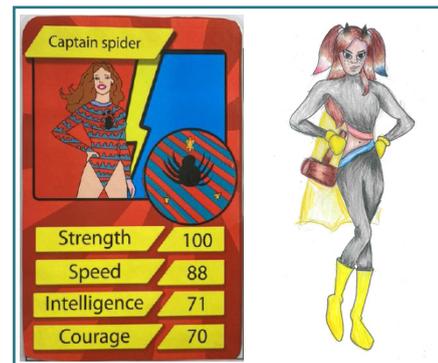

KEY WORDS	Photoshop Design Characters	Onomatopoeia Communicate Details	Features Powers Unique	Outline Trace Layers	Colour Mood board Pop Art
------------------	--	---	-------------------------------------	-----------------------------------	--

Wider Study Opportunities?

Careers - Animation, Sign Writer, Photographer, Graphic Designer, Digital Marketing, Architect

GCSE and A-Levels - Art, Graphics, Textiles, Photography, Product Design

- Some of your learning will include:**
-  Developing research and analysis skills to investigate superheroes by creating a moodboard.
 -  Introduction to Adobe software, using it to trace outlines of character shapes and amend them to be unique.
 -  Demonstrating some knowledge of Adobe Photoshop and layers to outline and add colour to character design.
 -  Combining all digital design work; Superhero, badge and background into Photoshop template, to create a high quality digital final outcome.

- Assessment and Feedback:**
-  **Assessment Objective 1:** Demonstrates an ability to develop ideas through investigations, demonstrating an understanding of sources.
 -  **Assessment Objective 3:** Demonstrates an ability to record ideas, observations and insights relevant to intentions as work progresses.
 -  **Assessment Objective 4:** Demonstrates an ability to present a final outcome that realises intentions and shows some opportunities for development.

Why this? Why now?

First Graphics project in Year 7 – A fun introduction with the theme of Superheroes. It will encourage you to be creative thinkers, and to embrace design ideas and make decisions on combining characters in a creative way that is unique to you.
