- Developing evidence of design work that shows the journey from the initial starting point to realise your intentions.

## Assessment and Feedback:

- Assessment Objective 1:** Developing ideas through investigations, demonstrating critical understanding of sources.
- Assessment Objective 2:** Refine work by exploring observations and insights.
- Assessment Objective 3:** Relevant to intentions and demonstrates understanding of visual language.
- Assessment Objective 4:** Present personal and meaningful response that realises intentions and demonstrates understanding of visual language.

### Feedback Opportunities:

- Mid project feedback based on the assessment objectives
- Personalised sticky notes
- Verbal comments
- End of project mark and feedback

## Why this? Why now?

The Mock exam experience is in preparation for the externally set assignment issued in January. An opportunity to produce your best work reflecting on previous skills and learning, producing a sustained project.

Preparation for the supervised 10 hour timed session.
