## Wider Study Opportunities?

**Careers** - Designer, Entrepreneur, Trades, Home DIY, Personal projects, Apprenticeships, STEAM

**A-Levels** - Art, Graphics, Textiles, Photography, Product Design

## Some of your learning will include:

-  Creating a sustained project.
-  Responding to a starting point.
-  Drawing together areas of knowledge, skills and understanding around your theme, leading to a 10 hour final outcome.
-  Developing evidence of artwork that shows the journey from the initial starting point to realise your intentions.

## Assessment and Feedback:

-  **Assessment Objective 1:** Developing ideas through investigations, demonstrating critical understanding of sources.
-  **Assessment Objective 2:** Refine work by exploring observations and insights.
-  **Assessment Objective 3:** Relevant to intentions and demonstrates understanding of visual language.
-  **Assessment Objective 4:** Present personal and meaningful response that realises intentions and demonstrates understanding of visual language.
-  **Feedback Opportunities:** Against the AQA specification looking for evidence of skills in AO1, AO2, AO3 and AO4. You will receive mid-project formal feedback mark alongside informal assessment methods on a lesson by lesson basis. You will collate your portfolio to produce a presentation board which summarises your product/project.

## Why this? Why now?

Mock exam experience is in preparation for the externally set assignment issued in January. An opportunity to produce your best work reflecting on previous skills and learning, resulting in a sustained project. Preparation for the supervised 10 hour timed session.
